RESPONSE TO ADVISORY ACTIONCommissioner for Patents
P.O. Box 1450
5 Alexandria, VA 22313-1450

Sirs:

The Advisory Action noted that the Terminal Disclaimer was not acceptable. A substitute Terminal Disclaimer is submitted herewith. Withdrawal of the Rejection is requested. Since the \$55 was previously charged, there is no fee. However, authorization to charge \$55 to Deposit Account 501861 is granted if the office deems necessary. A notice of appeal is also enclosed.

Applicants request early allowance of the case. If for any reason the Examiner believes that a telephone conference would in any way expedite prosecution of the subject application, the Examiner is invited to telephone the undersigned.

Respectfully submitted,

Bao Tran
